

1. Drop is Just a single stop Drop.
2. Multiple Stops : If more than one stop then it is multiple stops.
3. Round Trip : Regardless of multiple stops If guest is returning to the same place where they took taxi then it is called Round Trip.
4. Outstation : If farthest stop of the trip is more than 100 kms.
5. Local : If farthest stop of the trip is less than or equal to 25 kms.
6. Day Rent : Day rent is for 12 hours. After 12 hrs extra hours are chargeable.
7. Always go through full tariff before concluding fare.
8. Always inform the guest full fare details like additional kms, hrs, permit, toll, parking etc. not just fare.
9. Except for standard destinations, every other Fare must be informed to the guest as approximate fare.
10. Rather than informing the raw tariff structure mentioned in the document as it is, always inform an approximate amount as fare to the guest. Enquire the trip details completely and give an approximate fare and then inform how the additional kms, hours will be charged for that particular trip.
11. Always check number of passengers and their luggage before suggesting sedan or suv to guest
12. If guest asks for toll then check it on Google Maps mobile app, Toll is calculated two way. If maps show 300/- toll then for two way the toll is 600/- Always inform the toll as approximate.
